Camp gear / clothing can be found at **Brody's in West Bloomfield, Moosejaw Mountaineering in Birmingham, Joes Army & Navy in Clawson & Waterford, Perfect Trading Co. in Bloomfield or on-line at a vendor of your choice.** Almost any item your camper needs may be purchased from these outfitters. **Campers attending Tanuga 2022 should have at least one (1) Tanuga T-shirt & one (1) Tanuga Sweatshirt.** These items are worn during out of camp excursions and inter-camp competitions. They really assist us in identifying campers on these special days. **Customized Tanuga logo wear can be found at Brody's AND Perfect Trading Co. both in store and on-line (Some limited edition Tanuga items are available at camp, and are only carried in the camp store).**

The likelihood of finding lost clothing is greatly increased when name labels are used. Check out [www.Tanuga.labeldaddy.com](http://www.Tanuga.labeldaddy.com)

Do not send anything that will be a major disappointment if lost / ruined. (Leather jackets, dress clothing, ect...)

**In-line hockey** is one of the more popular areas in camp. In order to participate, campers must at a minimum come equipped with: Roller blades, elbow & kneepads, gloves or wrist protectors. Helmets (without cages or facemasks) & sticks are provided at camp. Campers may choose to bring their own sticks and helmets as well.

**Laundry** service is provided once a week by a commercial service. The turnaround time is typically 1-2 days, so please pack accordingly. **All new clothing should be washed prior to camp.**

**THIS CLOTHING LIST SHOULD BE USED AS A GUIDELINE, AND CAN BE MODIFIED BASED ON CAMPERS LENGTH OF STAY AT CAMP.**
